SUNDAY TOPICS FOR JANUARY 2009

Jan. 4 VISION: CREATE THE POSSIBLE

Helen Keller said: "The most pathetic person in the world is someone who has sight but no vision."

Jan. 11 GET IN SHAPE!

Life stretches out in front of you waiting to be shaped. How it shapes up depends upon your ability to sculpt.

Jan. 18 CLARIFY THE MYSTERIOUS!

As long as you're trying to figure life out, you can be sure of one thing: *never getting it figured out.*

Jan. 25 MAGNIFICENT YOU

Uncover the Principle of spiritual perfection, and release the magnificence within.

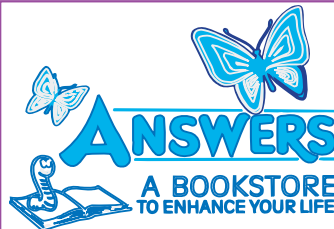

We invite you to visit our website (www.crsvista.org) for more complete information about us, our members, classes, events and activities calendar. From the Newsletters page of our website, you can sign up for our bimonthly email newsletter, News & Notes.

Pick O' The Month

Soul Currency

by

Ernest D. Chu

Soul Currency presents an exciting new way to understand how we open to abundant flow and fulfillment by focusing on our inner wealth — traits such as integrity, generosity, imagination, love, and intuition. These often overlooked traits are part of our soul currency, a term that refers to both a medium for exchanging value (as with money) and the circulation of a divine force in our lives, a force that bridges the material world of finance and the invisible world of Spirit. When we tap into the creative force of this "currency," our lives unfold in the direction that we most desire.

In this transformational book, Chu explains how to recognize and overcome the false and limiting beliefs — the "counterfeit currency" — that hold us back.
