## SUNDAY TOPICS FOR MARCH 2010

### Mar. 7 LIVING AS EXCELLENCE

Excellence cannot be achieved once and for all. This is about you excelling at everything you do right now.

### Mar. 14 RIGHT & WRONG

How to heal the erroneous belief that "If I'm right, I can control others into loving me, and if I'm wrong, they won't."

### Mar. 21 DARING & DOING

When you take on the dare, you take on your life. How to enjoy taking on the dare so that you can live the life you want.

### Mar. 28 TUNED UP & TURNED ON

When you are tuned into Spirit, you are turned on to life. How to be a turn on to yourself and others.

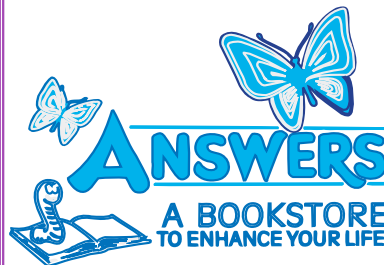

We invite you to visit our website ([www.crsvista.org](http://www.crsvista.org)) for more complete information about us, our members, classes, events and activities calendar. From the Newsletters page of our website, you can sign up for our bi-monthly email newsletter, News & Notes.

Pick O' The Month

*The Shift*

*Taking Your Life From Ambition to Meaning*

by

Dr. Wayne Dyer

*The Shift* doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.

Regularly \$17.95

20% discount during the month of **March**
