SUNDAY TOPICS FOR MAY 2010

May 2 GIVE UP GIVING UP

Every 'has been' is a 'once was,' and a 'once was' can be an 'is now,' because they already know how. Find out how!

May 9 MY MOTHER MYSELF

It's never what mother did or didn't do. It's always what we do with what she did or didn't do. Free your feminine energy.

May 16 MONEY IS NO BIG DEAL

When we identify ourselves as what we have, we lose ourselves. Create wealth, worthiness, wining, and money all at the same time.

May 23 BUILD BETTER BELIEFS

The quality of your life is a perfect a match to your belief system. Recalibrate your belief system, and you switch your experience.

May 30 YOUR LEGACY, YOUR LIFE

Who are you really? Your subconscious identity does not want you to know. Spirit says more: more joy, aliveness, more fulfillment and more of the real you!

We invite you to visit our website (www.crsvista.org) for more complete information about us, our members, classes, events and activities calendar.

From the Newsletters page of our website, you can sign up for our bi-monthly email newsletter, News & Notes.
